CONSIGNMENT INTAKE POLICY

Dena & Stacy consider the relationship with our consignors to be a partnership. As a partner, it is important to be clear of all policies. **Please read each policy thoroughly.**

Consignments are accepted Tuesday-Thursday, 10am-4pm.

- **NO intakes will be accepted on Mondays, Fridays, Saturdays, or Holidays. NO EXCEPTIONS**

1st Time Consignors- 20 piece limit: Please select up to **20 OF YOUR BEST TOTAL ITEMS** to bring in when establishing your consignment account.

Established Consignors: It is our experience that it's difficult to transport more than 20 wrinkle free items successfully. **Therefore we have a 20 max clothing limit per week.** This does not include handbags, shoes, jewelry, and accessories.

ALL items must be on hangers. One item per hanger, freshly laundered, pressed and/or dry cleaned. **Smoke and MothBall Free.** Remove all clothing from garment/dry cleaning bags.

Please **INSPECT** clothing for stains, rips, loose/missing buttons, damaged zippers, seams and hems. **Pre-clean** shoes, handbags and accessories. **ALL** items need to be in excellent, **"Ready to Sell" condition** - free of stains, defects, odor, **wrinkles**, or **obvious wear**.

We accept items that are **IN SEASON**, clothing that is 3 years new, and "like new" or lightly worn. (Spring and summer merchandise is accepted February through mid-August. Fall and winter merchandise is accepted September through mid-January.)

Jewelry priced over \$50 is consigned. All other jewelry is bought outright for up to 30% of the projected resale price.

We DO NOT accept any discount brands, i.e. Walmart, Kmart, Target, Forever 21, Charlotte Russe or Old Navy.

We DO NOT accept suits, formal wear, intimate apparel, swimwear, or maternity clothing.

All clothing needs to have brand, size & cleaning instruction tags intact and able to read, we will not be able to accept items without this in place.
